The story of our high school

Has only just begun

We have proven the impossible

One plus one can be one.

The coming together of two schools  
Brought with it great possibilities  
Now twice the amount of people  
With double the ability.

Meeting more people, making new friends

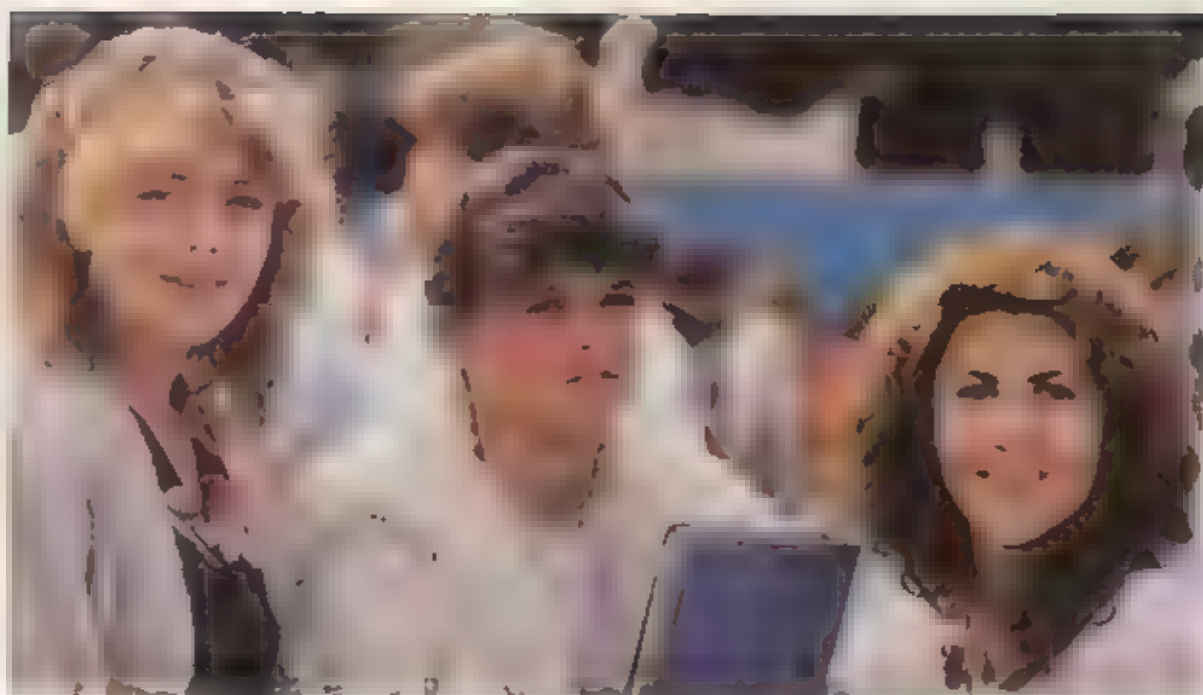

Helping each other, tightening loose ends

Friends were reunited, new ones quickly made

Lasting bonds formed with friends we'd never trade.

Many new friendships were made

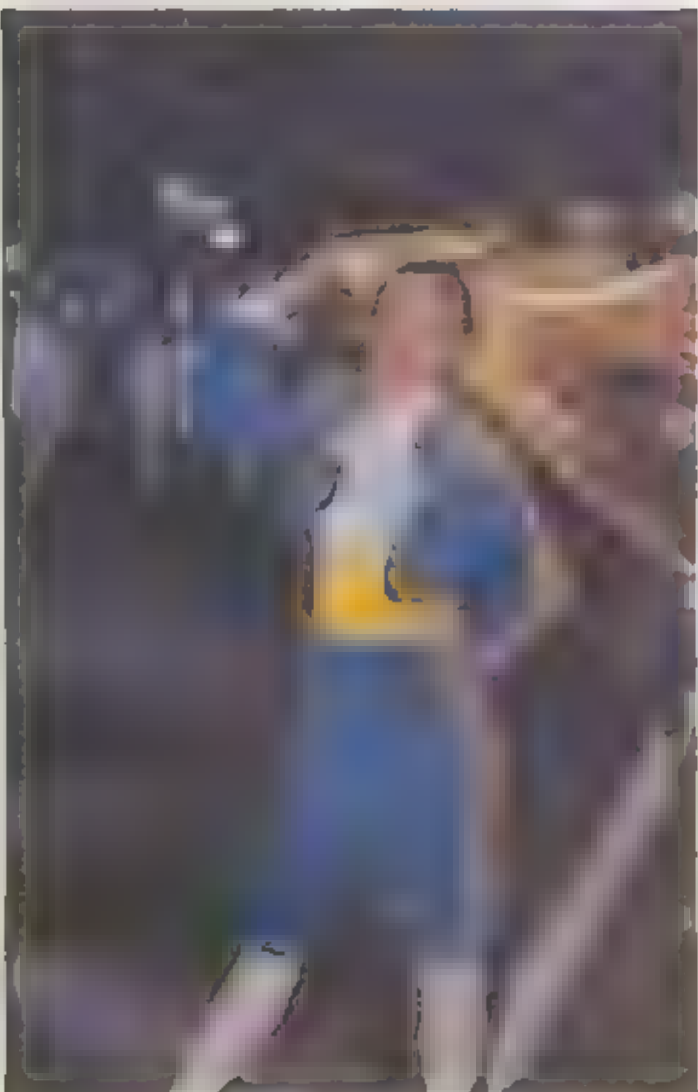

And the rivalry came to an end

The holes of hate and jealousy

We found a way to mend.

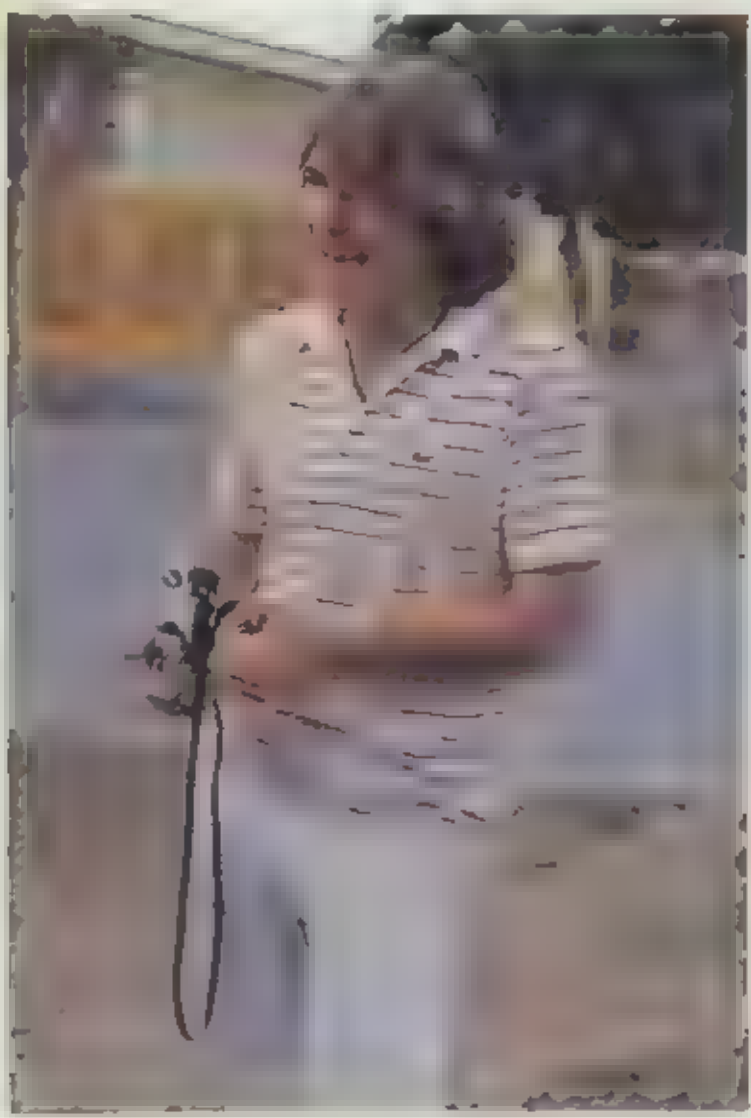

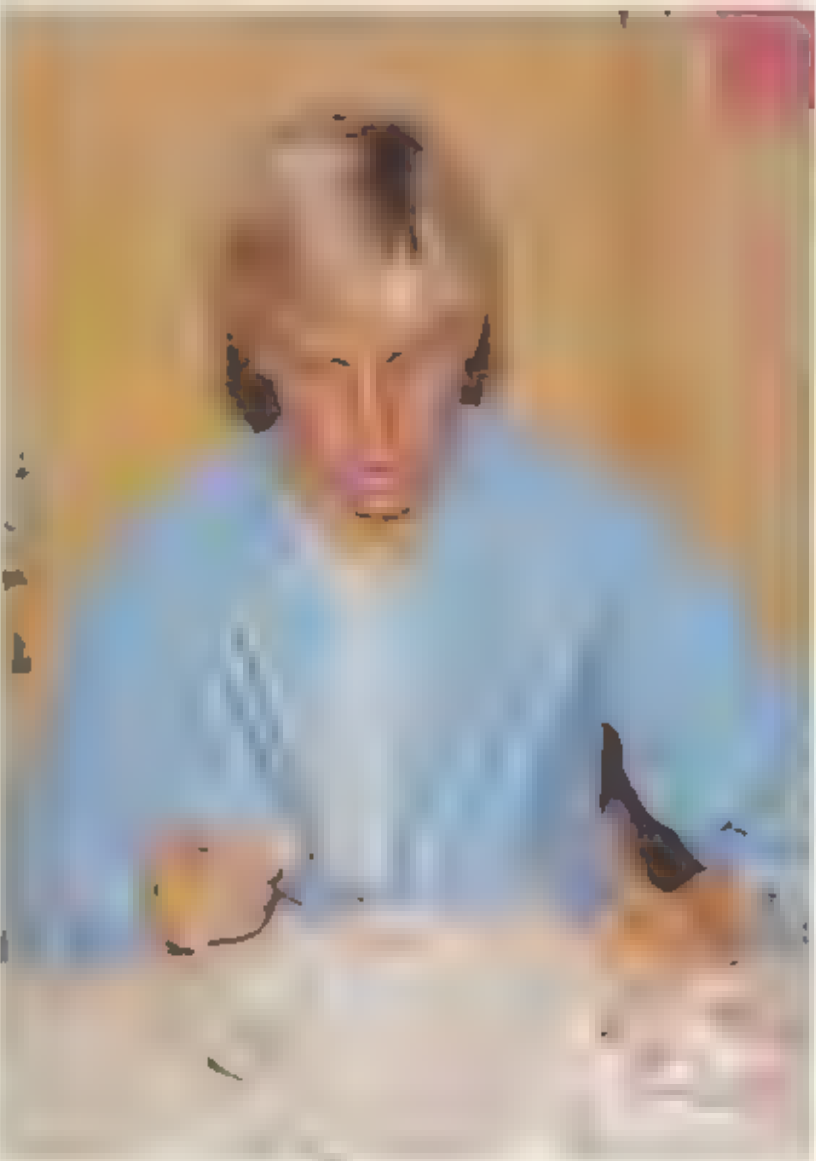

As we look back upon the year  
We have passed the greatest test  
The joining of two schools  
Has led us to success.

A year we will remember  
As we take a second look  
And so with a theme of newborn unity  
We dedicate this book.

Common grounds were determined  
In academics, sports and the arts  
The excellence attained in blending both schools  
Put spirit deep in our hearts

LOOKING OUT FOR EACH OTHER WE LEARNED HOW TO CARE  
NEW MEMORIES WERE MADE, FUN TIMES WE COULD SHARE  
NOW AS WE LOOK BACK WE REMEMBER THE DOUBT  
BUT PULLING TOGETHER WE MADE IT WORK OUT

NEW TRIALS AWAIT US AND MUCH LIKE THE OLD  
WE MUST ALL PULL TOGETHER TO KEEP A STRONG HOLD  
WE STARTED THE YEAR AS A SCHOOL SPLIT BY PRIDE  
BUT PULLING TOGETHER THE OLD BITTERNESS DIED.
